Energy label for heating system. It shows a boiler icon, a radiator icon, and a tap icon. The radiator is labeled with a black arrow pointing left containing 'A+', and the tap is labeled with a black arrow pointing left containing 'B'.

Energy scale for heating system. A vertical bar chart shows efficiency levels from A+++ (green) to G (red). A black arrow on the right points to the A+ level.

Feature selection icons. Each icon is preceded by a blue plus sign and followed by a square checkbox. From top to bottom: solar panel (checkbox checked), water tank (checkbox checked), control panel (checkbox with an X), and boiler (checkbox checked).

Energy scale for tap. A vertical bar chart shows efficiency levels from A+++ (green) to G (red). A black arrow on the right points to the B level.
